Sir:

The *Office Action*, from Primary Examiner Lincoln D. Donovan of Art Unit 2832, dated 9 March 2006, has been received and carefully reviewed. In response thereto, Applicant clarifies the patentable distinctions between the cited prior art and the present invention, and respectfully submits that the cited references neither teach nor suggest the present invention.

Applicant further submits no substantive amendments to the Claims are presented herein (Claim 1 is amended only to incorporate an element taken from the preamble), thus this *Response and Amendment After Final Rejection* does not raise new matter issues or raise issues requiring further consideration or searches. It is respectfully requested that the Examiner reconsider the pending *Final Office Action* for the following reasons and remarks.
